

Animal Waste Operator and Planner

Certification Training

March 19-20, 2015

UGA Livestock Arena

2600 S. Milledge Ave., Athens, GA

Overview: All permitted livestock operations (other than dry poultry operations) must have a certified animal waste systems operator and an implemented nutrient management plan written by a certified planner. In previous years this has been 2 separate trainings one to certify farm owners/employees to properly manage animal waste systems the other to certify people to write nutrient management plans. This training has been combined into one training with break-out sessions on day 2 for topics specific to each group. Both certifications require completion of this course and passing of the exam. This is the only operator/planner certification course of 2015.

Day 1 (Thursday 3/19): Instruction begins at 10:00am, lunch and break refreshments provided, session concludes by 6:00pm.

Day 2 (Friday 3/20): Instruction begins at 8:00am, morning and noon breaks: lunch and refreshments provided, sessions conclude by 3:00pm with GA Department of Agriculture exam.

Registration: Please pre-register by mail by **March 13, 2015**. Registration form and instructions below

Fees: For Attendees that are **GDA, pork, or dairy producers**, registration is paid by GDA, Georgia Pork Producers, or Georgia Milk Producers.

For **all other attendees**, registration fee is **\$150 per person** for operators and **\$200 per person for planners**. You can mail a check in with your registration form or bring a check to the training. Checks should be payable to UGA.

Location: Course will be held at University of Georgia Livestock Arena, Located on South Milledge Ave in Athens. Take hwy 10 loop to exit exit 6 (Milledge Avenue) turn east. The livestock arena is on the right just before Milledge dead ends into Whitehall Rd.
