

2019 REGIONAL LEADERSHIP CONFERENCES

FOR UGA EXTENSION AGENTS AND GEORGIA MGEVS

The State Program Office of the Georgia Master Gardener Extension Volunteer Program is pleased to partner with GMGA to present an **innovative training opportunity** for current and prospective MGEV leaders for the advancement of consumer horticulture in Georgia. **Informed leaders are essential to the success of both the Georgia MGEV Program and GMGA.** Project leaders, officers, and other key individuals who assist agents and program coordinators in the business of MGEV programs benefit from training sessions and discussions tailored to their needs. **GMGA will present informative classes** on "Introduction to the Georgia Master Gardener Association" and "The Role of the GMGA District Director at the State and Local level." UGA Extension will present **best practices for managing finances, project management, and collaboration.** Providing definitive and consistent training builds leaders. *Attending current, active MGEVs will receive Advanced Training credit. Agents/coordinators are asked to register attendees from their county as a group.*
