

GEORGIA DEPARTMENT OF AGRICULTURE

Using Pesticides Wisely - Georgia 2023.

1. As mandated by federal labels, one must hold a private or commercial pesticide applicator license to purchase and use the restricted use herbicides Engenia, XtendiMax, and Tavium. Use is limited to **ONLY** those persons holding a private or commercial applicator certification. It is no longer permissible for non-certified applicators to apply these products under the direct supervision of the certified applicator.
2. Prior to applying these products in 2023, **ALL** applicators must be trained according to the federal labels. In Georgia, applicators must complete the 2023 UPW classroom training with locations provided below. Individual and/or on-line trainings WILL NOT be available for 2023.
3. Those needing pesticide credit but not applying Engenia, XtendiMax, or Tavium are welcome to attend.
4. Bring your pesticide license; **2 hours** of pesticide credit for private or commercial will be offered.
5. The meeting will last about 1.5 hours; NO beverages or meals will be provided.
6. Attendee's names will be placed on a list posted to the Georgia Department of Agriculture's auxin website at <https://agr.georgia.gov/dicamba>; **this link is different than in previous years!**
