

Brooks County Extension

Is presenting a
**Small Ruminant Animal Production
clinic**

**on Saturday, March 4th, 2017
starting at noon
in the Brooks County Ag Building.**

We will have a sponsored lunch and presentation by Dr. Niki Whitley, FVSU-Animal Science Extension Specialist. After lunch, we will travel to local Spring Acres Farm for onsite teaching and demonstrations. For more information and to RSVP your attendance, please contact the Brooks County Extension office at 263-4103.
