

# Stay at Home Beekeeping Series

## *Distance Learning for Beekeeping Clubs*

**Social distancing to resist COVID-19 doesn't mean you need to stop learning about your favorite social insect!**

We're offering members of beekeeping clubs the chance to attend 'remote' meetings from the comfort of one's own home using a computer or mobile device. Each event will bring participants up to date on timely beekeeping topics. Time for Q&A included.

**ALL ARE WELCOME! IT'S FREE!**

May 14: Bee and parasite biogeography, with Dr. Keith Delaplane (U. of Georgia)

May 28: What's killing honeybees, with Dr. Jamie Ellis (U. of Florida)

June 11: TBA

June 25: TBA

6.30-7.30pm  
Central
