Overview

The series aims to cover the main topics many agribusinesses have questions on, go more in depth with these topics, and introduce resources and organizations that can help grow the business even further. By the end of the series, the attendees will have a better grasp of the main business concepts, feel confident in making decisions pertaining to their business, and come away with some great resources to help guide them more.

REGISTRATION IS FREE

If you are not going to be able to make the Zooms, please still register and a link to the recorded sessions can be sent to you.

This workshop series is sponsored in part by and in collaboration with the University of Georgia Extension, the Georgia Department of Agriculture, Georgia Grown, the University of Georgia Food Science Department, and the University of Georgia Agricultural and Applied Economics Department. A special thanks also goes out to the Georgia Farm Bureau.
