# EMERGENCY PREPAREDNESS AND BUSINESS CONTINUITY WEBINAR SERIES

## NO COST

### IS YOUR BUSINESS READY?

How quickly your company can get back to business after a natural or man-made disaster depends on emergency planning executed today.

Georgia's businesses form the backbone of the state's economy. If businesses are ready to survive and recover, our state and economy are more secure. A commitment to planning today will help support employees, customers and the community. It also protects your business investment and gives your company a better chance for survival.

### TOPICS INCLUDE:

**Aug. 24:** Disaster impacts, terminology and re-entry processes from state and local Emergency Management Agencies

**Aug. 25:** Emergency loan programs available to small businesses and farmers/ranchers from the SBA and USDA

**Aug. 26:** Insurance Concerns

**Aug. 27:** Business Continuity Planning
