We would like to thank you for sponsoring our 2022 UGA Extension Services Educational Programs here in Colquitt County. We would like to ask you for your continued support in 2023. Your support will help fund our 2023 in person Crop Production Meetings.

Your unrestricted donation will provide support for demonstration/research, facility supplies, equipment, professional improvement and additional program needs.

All Crop Production Meetings will take place in person at the Colquitt County Extension Ag Complex in Moultrie Georgia.

We have three sponsorship levels

Platinum - \$400      Gold - \$300      Silver - \$200

- Name recognition with sponsorship level on signage on site
- Name recognition with sponsorship level in the Crop Production program
- Name recognition with sponsorship level on Extension website and displayed in office

Thank you in advance for any amount that you may contribute and we gratefully appreciate your support of our program.

\*Please make checks payable to **Colquitt County Extension/4-H**

\*Please mail your check and unrestricted funds letter on your company letterhead to:
