

UGA/Dougherty County Extension presents

# Fall Gardening and Lawn Maintenance Series Webinars

This online short course is designed to teach you what to plant for the fall, how to deal with garden pests, incorporating herbs into your landscape, dealing with winter weeds and growing your own ginger and turmeric.

**6:30 p.m. to 7:30 p.m. EST**

**Thursday, October 8 – Fall Vegetable Gardening**

**Thursday, October 15- Fall Lawn Maintenance & Winterization**

**Thursday, October 22- Herbs in Landscaping**

**Thursday, October 29- Growing Ginger and Turmeric**

Registration: sign up for the webinars you would like to attend at the following link and you will be sent a zoom link the day before each webinar you registered to attend:
