

USING PESTICIDES WISELY – GEORGIA 2022

Engenia, Tavium, XtendiMax

All applicators driving the tractor/sprayer applying these herbicides **must attend** UPW during 2022 *prior to using these products!*

2022 Trainings Weed Control Meetings Approved

Those individuals that attended and signed the registration form during weed control meetings in January and February have received credit and do not need to attend an additional training.

Approved meetings included the following:

Jan 10 (Pierce, Wayne)
Jan 18 (Emanuel, Jefferson, Burke)
Jan 26 (Cotton Commission Annual Meeting – Weed Training section)
Jan 31 (Lee, Macon/Taylor/Peach/Houston)
Feb 1 (Calhoun, Mitchell/Baker, Grady)
Feb 2 (Tift, Colquitt)
Feb 3 (Irwin/Ben Hill, Worth, Berrien)
Feb 9 (Screven, Bulloch)
Feb 10 (Terrell, Webster, Sumter)
Feb 16 (Dooly, Pulaski/Wilcox)
Feb 17 (Appling, Tattnall/Evans/Chandler)

If you did not sign in when attending, then you are not trained and must attend UPW 2022!

UPW 2022

Trainings for 2022 will differ from previous years.

Your local Extension agent will organize UPW trainings in your area; contact them for training opportunities.

ALL EXTENSION TRAININGS WILL BE COMPLETED BY APRIL 15, 2022

Documentation of UPW Training

Attendee's names will be placed on a list posted to the Georgia Department of Agriculture's auxin website at <http://www.agr.georgia.gov/24c.aspx>. Names will be provided to the Department of Agriculture once the trainings are concluded on April 15. This list will serve as the official training record as attendance verification. An hour of pesticide credit for private or commercial will be offered.
