PREPARING FOR THE AUDITION:

Participation in Clovers & Co. is limited. **All auditions are limited to two minutes.** Group auditions are not accepted.

Important: If you plan to audition for more than one area (such as band and stage cast), please split your audition and use approximately one minute for each talent. Please upload these videos separately to YouTube, as you will be asked in the submission form to post the links separately.

Returning Cast: All current cast members must re-audition for the next year. A new application must be filled out as well.

Suggestions to help you prepare for your audition:

- **Vocalists:** Pick your very best performance number. You may accompany yourself, have someone play with you, or sing a cappella. Do not sing along with the original artist. Select a song that you can stay on key and maintain pitch with.
- **Instrumentalists:** Pick a performance pieces that you play well. Show variety in your performance if you can.
- **Dancers:** Pick a dance that you perform well. Some things to consider are the degree of difficulty and variety.
