

UNIVERSITY OF GEORGIA

This form provides applicants with a roadmap and timeline for completing the Certificate coursework and helps us advise and track students interested in the program. To formally enroll in the Certificate, you will need to complete a graduate-level Curriculum Change Request Form on the Registrar's web page (<https://reg.uga.edu/faculty-and-staff/curriculum-changes/>) and submit it to the Certificate Coordinator.

Graduate Certificate in Sustainable Food Systems – Student Information Form
