

Have you ever sat on the bank of the river listening to the cricket's chirp as you wait on that next big catch? I am Jahna Doe, a 7<sup>th</sup> grade 4-H'er from Tattnall County, and I have loved to fish since I was 5 years old. When I joined 4-H in 5<sup>th</sup> grade, my 4-H leader talked me into doing the DPA project. I competed in the Shooting Sports Project in 5<sup>th</sup> grade and the Dance project in 6<sup>th</sup> grade. I also enjoyed attending 4-H Camp in 5<sup>th</sup> grade, but was unable to attend last year due to COVID-19. I am excited to participate in the Outdoor Recreation project this year for DPA.
