Parent Agreement:

I, the undersigned parent\guardian, agree to allow my child to participate in Jr\Sr DPA on February 11-13 at Rock Eagle 4-H Center. I understand that I am responsible for ensuring they attend workshops held at the Extension Office and\or their school to complete their portfolio by December 17th. I understand that there is a \$35 non-refundable fee for my student to participate. This fee will be due to the Tattnall County Extension Office by January 7th. Please do not turn money in to the school! Due to COVID-19, parents are not allowed to attend the February event. After submitting their portfolio in December, students will create a 7 minute presentation on their topic. We will have afterschool workshops at STMS to complete these presentation projects. I understand that my child's completed presentation must be reviewed and approved by a member of the Tattnall County Extension Staff prior to February 4th in order for my child to qualify for the competition. If I have questions or need more information about DPA, I understand it is my responsibility to seek this information by calling the Extension Staff at (912) 557-6724 or emailing agent Rebekah Greene at rbowen1@uga.edu
